

URSCHEL EQUIPMENT

A department of Urschel which benefits our customers and adds an increased dimension of service to our company.

BUY SELL TRADE

Whether you are looking to sell surplus Urschel inventory, to purchase a used, pre-owned, or second hand Urschel machine rebuilt to Urschel standards, or looking to trade up to the latest cutting technology, Urschel Equipment can assist you. This service is currently only available in North America and selected European countries that have an Urschel subsidiary as their source of supply.

PROCESS

- Each transaction is reviewed on a case-by-case basis.
- Initial contact should be made through your local Urschel office
- **If selling or trading a piece of equipment:** digital photographs and serial numbers of equipment should be provide to your local Urschel office
- **If you are in the market for a refurbished Urschel machine:** contact your local Urschel office and identify the type of equipment you are seeking. Inventory is constantly changing.
